**Title:** Aim High Orientation Webinar– Key Stage 3

**Presenters / Conductors:-** Harpreet, Rachna, Nirmal, Debbie, Neijin, Shirin, Rachna, Ashmi,

**Aims & Objectives:** To help students and parents understand the key priorities and expectations of Key Stage 3. To provide insight about the mode of learning both face to face and distance learning. To enlighten parents on COVID 19 protocols and share the provisions for the new normal academic year.

**Summary:** The Aim High Orientation Webinar was conducted on Wednesday the 9<sup>th</sup> September 2020. The main objective of the webinar was to enlighten students and parents on how the mode of learning both face to face and distant learning will be conducted in the Secondary school. The webinar was a kick start to the new normal and help our parents and students to have a better understanding about the COVID protocol and the secondary school expectations. Ms. Harpreet welcomed the parents and introduced the secondary team to the parents. She also addressed the parents about blended learning (different groups) and distance learning, she also re iterated the Covid 19 protocol for the new normal. Mr Neijin, the child safeguarding officer emphasized on child protection and safeguarding. Ms. Nirmal shared the key expectations, priorities and the additional learning opportunities with the parents and students. Dr Ashmi the student career counsellor shared about career opportunities and guided students on how to build E portfolios. There was a good attendance of parents, the session concluded with Q&A session. Parents shared good reviews and they are happy about the secondary school provision
