--	-----------------------------------	--

Title: SUSTAINABLE ENTREPRENEURSHIP, SUSTAINABLE INNOVATION AND SUSTAINABLE ENTERPRISE -

Presenters / Conductors: 11 B Students

Aims & Objective: To understand the importance of positive Peace and Social Entrepreneurship.

Summary: The assembly began with a brief introduction to the topic Peace and Social Entrepreneurship in Troubled Regions. The students discussed the different strategies that could be developed to help these troubled regions. They reflected how promoting peace would help in reducing conflicts and human suffering. Thus leading them towards a stronger economy. The students very effectively brought out the role of the UN in the same.

Student/Parent/Teacher Feedback:

“It was indeed a very informative assembly on how these standards offer a way of thinking on educational philosophies or initiatives that our school supports.”, says Alia Butt of Form class 11 G.

“These assemblies are very helpful for students to aim high, work further on the importance of values that will help them develop as strong individuals.”, says Ms. Anjali, 11 G Form tutor.

Conducted by: FT, HOYs and HOK
