-------------------------	-----------------------------------	--

Title: International Mother Language Day

Presenters / Conductors: 11D Students

Aims & Objective: To raise awareness of language, cultural diversity and multilingualism and why it should be respected.

Summary: In the assembly students started with a video presented by the Winchester School of students and teachers embracing their mother tongues by sharing it with others. The assembly emphasized on the importance of speaking one's own mother tongue and its significance in how it affects student's behavior and daily lives. It also spoke about the history of this prestigious day and how this day had come into being.

Student/Parent/Teacher Feedback:

"It was indeed a very informative assembly enriching and encouraging students on embracing multilingualism", says Alia Butt of Form class 11 G.

"Today's assembly indeed helped in recognizing that languages and multilingualism can advance inclusion in education.", says Ms. Anjali, 11G Form tutor.
