Date: 28/01/2022

Audience: Year 10

Venue: Virtual assembly

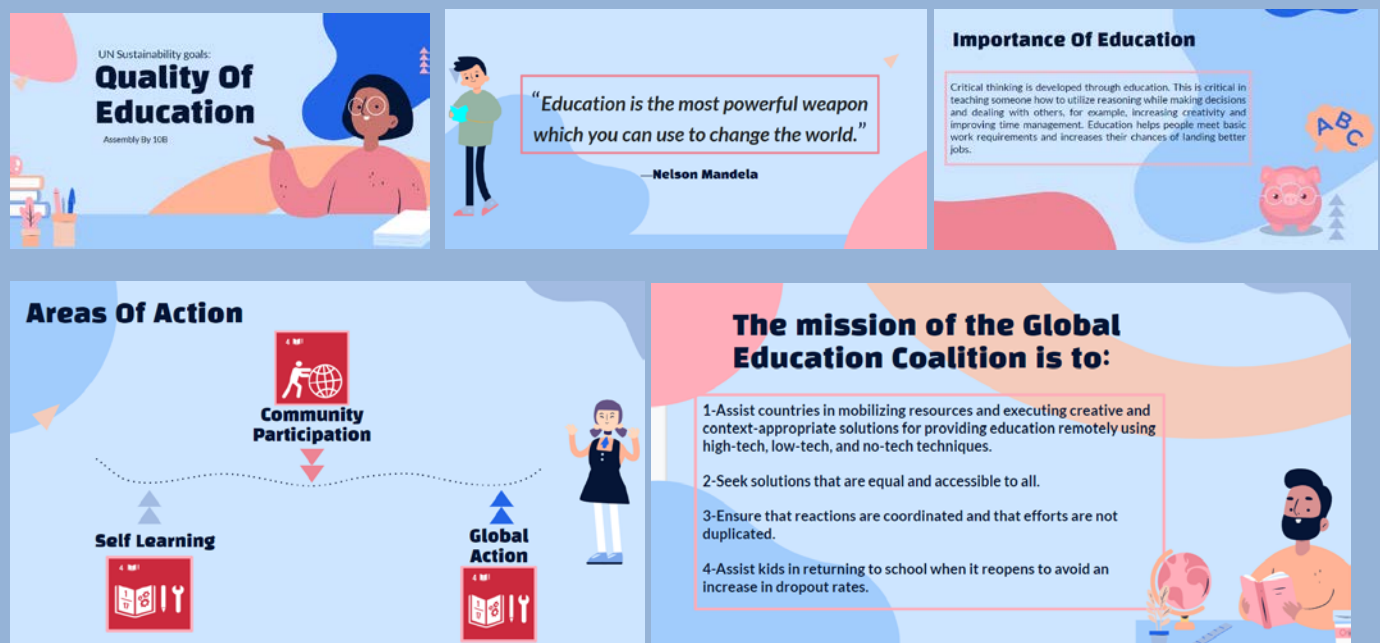

Title: Assembly on International day of Education 2022

Presenters / Conductors: Students of Year 10B

Aims & Objective: To celebrate the role of education for bringing global peace and sustainable development

Summary: The assembly began with quoting Nelson Mandela. As students are aware of the sustainable development goals (SDGs), the students shared the importance of education and the goal of quality education as per SDG. The students discussed about the various areas of action to promote quality education. They talked about community participation, self-learning and global action. The students also talked about UAE's efforts to quality education. The assembly also showcased the posters and poems created by the students on quality education. The assembly ended with students taking pledge to participate in better learning and understanding the importance of education.
