

## THE WINCHESTER SCHOOL, JEBEL ALI

<b>Date:</b> 21st March 2022	<b>Audience:</b> Year 10 students	<b>Venue:</b> Virtual assembly
<b>Title:</b> World Water Day 2022		
<b>Presenters / Conductors:</b> Student Leaders of Year 10		
<b>Aims &amp; Objective:</b> To raise awareness about the conservation of groundwater		
<b>Summary:</b> Year 10 celebrated World Water Day on 22nd March 2022. "Making the Invisible Visible" is the theme of International Water Day 2022. Students were shown a video that emphasized the focus for this year is groundwater which is a dwindling resource overused by many countries. Students shared that it is an important day to celebrate as awareness should be spread about the importance of freshwater. Students spoke about the various innovative measures which are undertaken by the countries to save and conserve water. Students created an attractive poster using ICT tools such as Canva focused on Water Conservation.		
<b>Pictures / Flyers Etc:</b> 		
<b>Student Feedback:</b> I thoroughly enjoyed working on the posters and slogans. It was an interesting way to enable students think about saving water and conserving water for the future generation. – Haya Danish 10C		
<b>Teacher Feedback:</b> It is important to educate our youth on water conservation so that as they grow older they will make the necessary positive changes – Ms. Asha V		
<b>Organized by:</b> KS4, FTs, Ms. Jane, Ms. Delma - Head of Year 10 and Ms. Amber - Head of Key Stage 4
