

THE WINCHESTER SCHOOL, JEBEL ALI

AARYAN MENON

Date: 03/03/2022	Audience: Year 10 students	Venue: Virtual assembly on Zoom
Title: Assembly on World Wildlife Day Presenters / Conductors: Students of 10A		
Aims & Objective: To celebrate the many beautiful and varied forms of wild fauna and flora and to raise awareness of the multitude of benefits that their conservation provides to people.		
Summary: Celebrated on the 3 rd of March, World wildlife day is the day that celebrates fauna and flora and raises awareness on the benefits that their conservation provides to people. The students of Year 10A conducted the assembly on World wildlife day with the theme 'recovering key species for the restoration of an ecosystem'. They presented the advantages of recovering key species for the restoration of an ecosystem - how the loss of multiple species threatens the balance of entire ecosystems and puts into peril the well-being of any who rely on them. The class made an attempt to create awareness among students and teachers of the importance of wildlife's presence, preservation, and consequences if ignored. The cruciality of this matter lies with the precariousness of the preservation of the wild flora and fauna. Thank you, Ms. Asha and students, of 10A for a well-celebrated week conveying the message of saving the wildlife, flora and fauna and also for being a voice for the animals as they cannot speak for themselves.

Student Feedback: "The assembly was well-structured and organized, with attractive images as well as eye-catching colors. The PPT had lots of useful info about how Wildlife is important, how we can restore species and how we can stop endangerment. The assembly was overall informative, and I especially loved the uses of diagrams to represent some of the information, and the use of statistical data." – Aditha, 10E		
Teacher Feedback: The assembly was excellent, with many crucial points on SDG targets. It was well-done, with the sole suggestion being that it be a little more interactive. - Ms. Deepali.		
Organized by: Ms. Asha and students of 10A Ms. Jane & Ms. Delma, Head of Year 10 Ms. Amber Bilal, Head of Key Stage 4
