Title: INTERNATIONAL CANCER DAY-HEALTHY LIVING		
Presenters / Conductors: Selected students from Yr. 11F		
Aims & Objective: To raise awareness about cancer and how to reduce the risk		
Summary: Year 11 students gathered in their classrooms for this virtual assembly conducted by Year 11F under the theme-Close the Care		
Gap. The presenters used the International Cancer day to raise awareness of the factors that increase cancer risk and how this can		
be minimized through a healthy lifestyle. The session was full of information and interactive through activities on padlet.
