

THE WINCHESTER SCHOOL, JEBEL ALI

Date: 8 th June 2021	Audience: Students of Year 7	Venue: Virtual Assembly Platform through Zoom meeting Phoenix
--	-------------------------------------	--

Title: COVID 19 Awareness and Prevention
Presenters / Conductors: Dr. Mozghan

Aims & Objectives:
 To raise awareness among students and help them to prevent COVID 19.

Summary:
 The assembly was conducted by Dr. Mozghan for our Year 7 students to raise awareness on COVID 19, its symptoms and how to prevent the spread of COVID 19. Dr. also informed the students that students above 12 years of age can take the Pfizer vaccine as stated by DHA. Dr. emphasized on washing hands with soap or sanitizing of hand as many times as possible to prevent oneself from the infection. Dr. also informed students that their parents or elders at home who are in high risk category like diabetes, high blood pressure and so on should take utmost care, avoid social gatherings, use the mask and sanitize hands properly. Dr. also informed students of the six steps of washing their hands, and what needs to be done if PCR result is positive – quarantine yourself and follow all COVID 19 protocols. Dr also stated that if they have any symptoms of COVID they can stay home and inform the school Dr. and the school authorities so that necessary precautions can be taken and those in close contact can be informed to follow the protocols of health and safety. The assembly ended with a FAQ session and students were also informed they can email their queries to the school Dr. and she would gladly answer them all. Ms. Brenda thanked Dr. Mozghan for enlightening our students on COVID 19.
