

THE WINCHESTER SCHOOL, JEBEL ALI

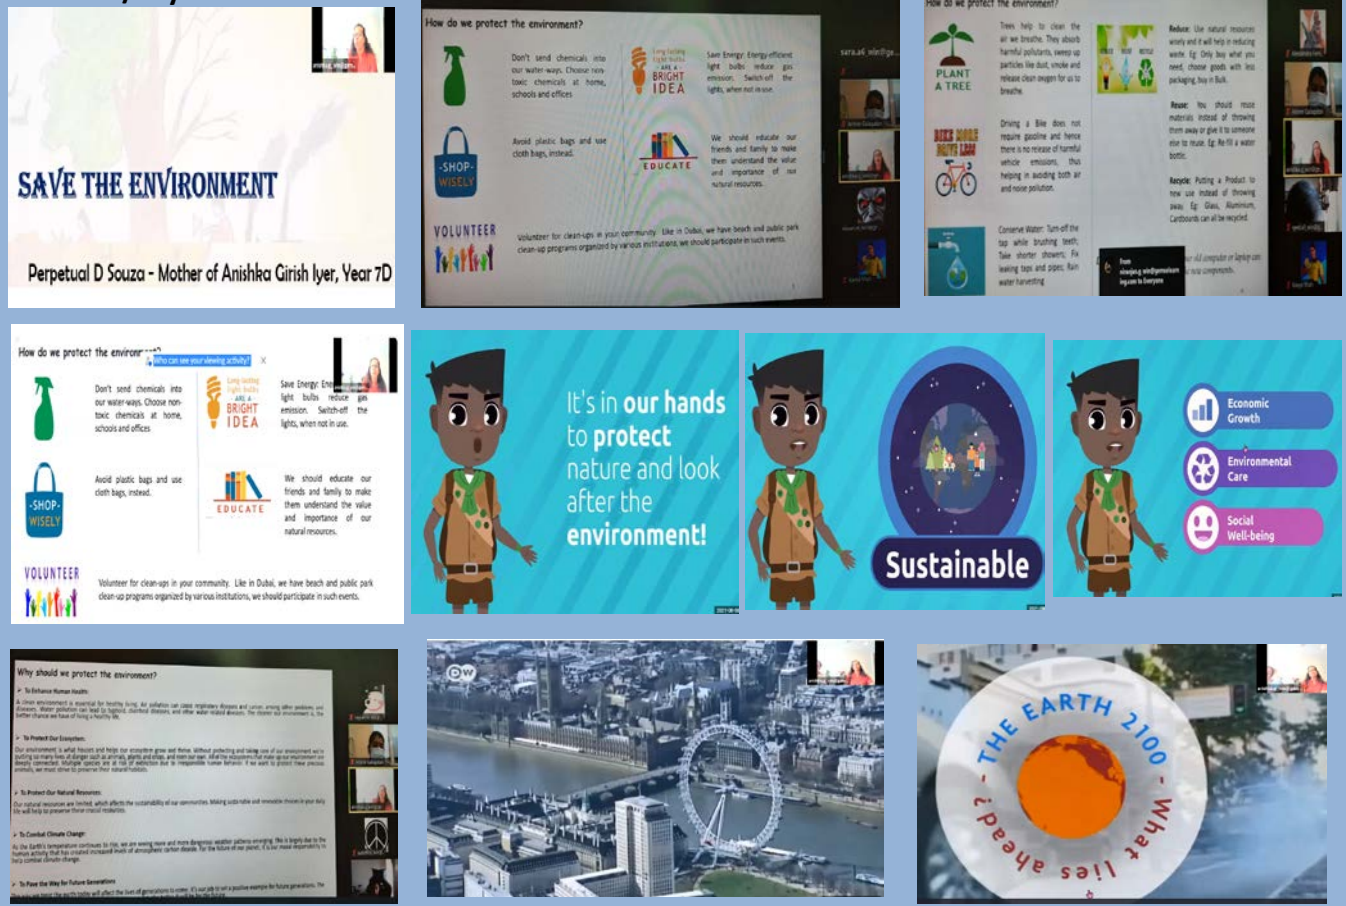

Date: 6 th June 2021	Audience: Students of Year 7	Venue: Virtual Assembly Platform through Zoom meeting Phoenix
--	-------------------------------------	--

Title: Save Our Ecosystem
Presenters / Conductors: Ms. Perpetual D'Souza and Parent of Anishka (Year 7D)

Aims & Objectives:
 To raise awareness among students to help and protect our environment
 To reflect how students as active citizens make the planet more sustainable and livable place

Summary:
 The assembly was conducted by Ms. Perpetual D'Souza parent of Anishka Girish (Year 7D) on "Save Our Ecosystem". Ms. Perpetual motivated the student by asking them a question on environment and what initiatives they would take to protect the environment they live in. She then summarized by informing students that we need to protect our environment by saving our natural resources, combat climate and to pave for future generations so that we can live a healthy lifestyle. She also illustrated the need for the 3R's- Reduce, Reuse and Recycle through videos. She concluded the assembly through FAQ session. Students had a number of questions which Ms. Perpetual was very to answer and give information on saving our ecosystem. Students then sent their feedback on the assembly on the link provided by Ms. Perpetual. Ms. Amanda and Ms. Brenda thanked Ms. Perpetual for the inspiring, motivating and interactive session with our students on how they could be citizens of their environment and bring about a change to make this world a better and a safer place to live in.

Student/Parent/Teacher Feedback:

The 10 ways to protect the environment and its contribution towards a more sustainable planet was very clearly shown in the video and I would take the initiative of practicing them out to save our ecosystem, says Yassin Marwan Year 7
 The need to protect our earth and the we be the change is a quote that I would take up to protect and bring about a change on our planet, the Earth, says Niyamat Year 7A

Organized by: HOK & HOYs
