Title: ROLE OF EDUCATION TOWARDS PEACE AND DEVELOPMENT

Presenters / Conductors: 7D students

Aims & Objectives: The main objective of this Assembly is to emphasize the importance of education in the development of peace.

Summary:

Students gathered to appreciate the role and importance of education towards peace and prosperity. Taha started the assembly and handed over to Aayan and Piyush who confidently introduced the topic and energetically hosted the assembly. To begin with there was an Art Gallery of 7D which showed posters created by Mukund, Rudr Tanisha and Ameerah. Mukund also gave a message about peace and education while speaking live to the audience. Students moved forward with beautiful poems which were recited and written by Ria, Taha and Craig. Later a melodious song was sung by Rushil and Harswitha. Aayan gave the Vote of thanks and concluded the Assembly by asking everyone to take the quiz and join the padlet link for feedback. Assembly ended with the feedback of HOYS Ms. Caren and Ms. Dina. The students of different sections gave feedback about the assembly on Padlet.

Pictures, Flyers etc:

Please end this violence all over the place.
Ease all tensions with each and every race.
All colours must live together and with grace.
Come together and respect one another.
Echoes of peace in every place.

Student/ Parent/ Teacher Feedback:

The assembly was really nice the drawings were very pretty and the singing was extremely soulful although there wasn't a role play but the information and other aspect made up for it. Good Job 7D. Sanika Padekar - 7G

Great, short and effective assembly, I loved the posters and the singing! :) It was a great assembly!!! Shravya Priya - 7A
