

THE WINCHESTER SCHOOL, JEBEL ALI

Date: 6th October 2022

Audience: Students and Staff

Venue: Basketball court

Title: Civil Defense Fire Drill

Presenters /Conductors: Mr. Neijin Pathrose

Aims & Objective: To practice how the school would be evacuated in the event of a fire and ensure that every one knows how to exit smoothly and safely along with the students.

Summary: FS students experienced that fire drill is simulation of evacuation process during an emergency situation. They were familiarized with the route towards the assembly points. The drill was monitored by Dubai Civil Defense in presence of the emergency vehicles and the rescue team. The importance of moving in a calm and orderly manner was discussed with the students. All students, staff and visitors were evacuated safely through the nearest exits. Students witnessed a real-life experience about the various rescue techniques and dealing with casualties.

Pictures / Flyers Etc.:

Parent/Teacher Feedback: Ms. Elham, Form Tutor of FS1 D said, "Students are now aware of how to act in case of an actual fire."

Organised by: Mr. Neijin Pathrose and staff
