Title: INDUCTION DAY

Presenters/Conductors: Year 5 & 6 Team

Aims & Objective: To introduce school policies and make the students aware of Primary School expectations.

Summary:

The young and dynamic learners of Year 5 and 6 were excited about their first day at school. The learners were greeted by their form tutors followed by self- introduction, sharing school polices and expectations. They were made aware of health and safety protocols to keep themselves and their classmates safe. They were engaged in fun-filled learning activities with their peers and teachers. They were also welcomed by the Senior Leadership Team at school. The day progressed with the school tour, PE, ICT STREAM and Music lessons, which were thoroughly enjoyed by the students. The induction day was a fun day where the students explored their classrooms, school and got to know their peers and teachers. It was a day of explorations, excitement and new learning, which was the perfect way to ring in a new academic year!

Parent/Teacher Feedback: Ms. Sayali form tutor of 6B exclaimed, it was a pleasure to see the students very happy to meet and greet during the session.”Rahel of 6G stated, “I enjoyed the induction day a lot. It was creative and also very fun. Being in the new school is the best experience. Arnav of 6E remarked, “Induction day was enriching. I made new friends and loved all the activities that kept me engaged throughout the day.”
