Title: Aim High Parent Orientation		
Presenters/Conductors: Senior and Middle Leaders		
Objective: To provide important and specific information to parents and students of Primary regarding various aspects of school		
Summary: The Aim High Parent Orientation was conducted on 8th September 2022 with a good turnout of parents. The orientation aimed to ensure that students and parents are enlightened about the school expectations, curriculum expectations, curriculum progression, enrichment opportunities, well-being, careers, internships and various aspects of school life. The Key Stage teams, Middle Leaders and Senior Leaders ensured that the session was smooth and successful. Parents too shared some great feedback about the face-to-face interactive session.
