

## The Winchester School, Jebel Ali

**Date:** 13<sup>th</sup> October 2022

**Audience:** Parents and Students of Year 5

**Venue:** FS Area, Primary Building

**Title:** Let's Save The Environment

**Presenters / Conductors:** Students of Year 5 D

**Objective:** To raise awareness among students to help and protect our environment

**Summary:** Morning assembly is the first platform that is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds. Keeping the same thought in mind, the students of Year 5D conducted the first assembly of the Year group on Thursday, 13<sup>th</sup> October 2022 on the topic "Let's Save the Environment" to embrace the spirit of preserving Mother nature. The assembly commenced with a warm welcome of parents, teachers and students by the host students. Students highlighted the importance of saving the planet Earth by giving insights about being aware of our roles and responsibilities to make Earth a better place to live in. In order to leave a long-lasting impact on the minds of students, a song performance on the theme was presented by the enthusiastic presenters of Year 5D.

The presence of Ms. Deepika Dayal-Teaching and Learning Coach Primary graced the occasion. She shared some facts about the topic and encouraged students to protect and preserve nature.

The assembly concluded with the national anthem and we are sure that our young minds are on the right path to do their bit for Mother Earth.
