Aims & Objective: To focus on four core targets - Vocabulary, Connectives, Openers and Punctuation (V.C.O.P) – as a way of improving all of the writing they do.

Summary: What an iconic day to have the first assembly with parents in attendance in Primary! Masks are optional but smiles are mandatory. Our 3E students confidently played the characters in their assembly called VCOP superheroes - Reading is our superpower. These are the superheroes who stood tall while taking the audience through a simulated class discussion- on how to write better, how to read better. Parents were delighted watch their children perform so confidently and all parents in attendance shared a very positive and encouraging feedback.
