Title: Year 3I Assembly – Road Safety		
Presenters / Conductors: Students of Year 3I		
Aims & Objective: To understand the importance of road safety and promote life-saving messages.		
Summary: Year 3I celebrated Road Safety Day on 12 th October 2022 in the FS area. The assembly was a great platform for students to reflect and present their views on the importance of road safety. Children educated the audience about traffic rules and the role it plays in shaping the behavior and attitude of children by ensuring that they become responsible passengers, pedestrians, cyclists and drivers. Students described different traffic signs and they did the same with melodious songs. Mr. Naeem from STS department also spoke about the Dos and DONTs for bus users, OT walking children as well as OT car users. Through the assembly, students successfully conveyed the message ‘Safety Comes First’.
