**Presenters / Conductors:** Form Tutors and Students of Year 3

**Aims & Objective:** To make children aware of road safety rules and its application in real life.

**Summary:** Road Safety Day was observed on 5<sup>th</sup> October. This day is celebrated to spread awareness about the importance of Road Safety Rules for the safety of people moving on roads. During Road Safety Day, thousands of organizations, schools and communities take part, with road safety demonstrations, and more. Each year the event has a theme. Our event started with Parental Engagement Session from Ms. Cynthia Samiano, mother of Gab from 3D who focused upon the rules of Road Safety. Students also took an oath to be safe on the roads by following traffic rules. Students also presented a skit by representing their understanding of Road Safety Rules. The information shared made the event a success.
