

# THE WINCHESTER SCHOOL, JEBEL ALI

**Date:** 06/10/2022

**Audience:** Year 3 Students

**Venue:** Classroom

**Title:** World Space Week, 6<sup>th</sup> October 2022

**Presenters / Conductors:** Form Tutors and Students of Year 3

**Aims & Objective:** The purpose is to celebrate the contributions of space science and technology to the betterment of human condition.

**Summary:** The theme of World Space Week 2022 is "Space and Sustainability" focusing on achieving sustainability in space and achieving sustainability from space. The theme is inspired by how sustainability in space relates to how humanity uses space, most pressingly, the orbital area surrounding Earth. The event was celebrated by embracing the presentation on Space projects from year 5 students. Year 3 classrooms were full of healthy discussion, sharing of information and question answer session which made it an active and insightful learning experience for the children.

**Student/Parent/Teacher Feedback:**

**Ms. Garima 3D (Teacher):** Our celebration this morning was to share information on Space objects and the initiatives taken. The presentations shared by year 5 students enlightened our children.

**Ashley (3J):** I liked knowing about the 8 planets and discussion on Pluto which excited me to know more about space.

**Organized by:** Form Tutors of Year 3.
