**Title:** International Day of Peace

**Presenters / Conductors:** YEAR 4 parent, students and Teachers

**Aims & Objectives:** To promote the values of peace, respect and tolerance in the classroom.

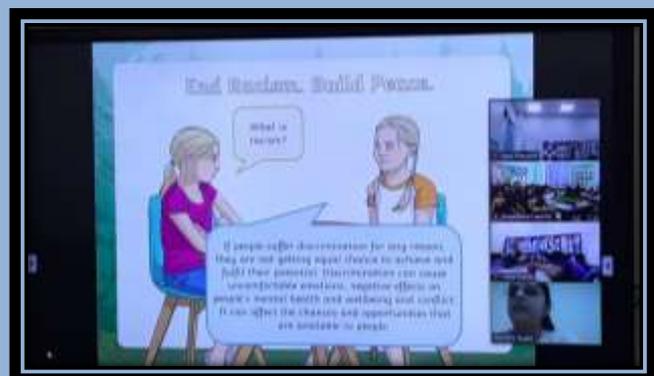

**Summary:** "Peace begins with a smile – Mother Teresa"

The 2022 theme for the International Day of Peace is "End racism. Build peace."

World Peace Day is on the 21st September every year. It is a chance for the whole world to focus on what peace means and to see the phenomenal impact that just one day of peace can bring to millions of lives. It's very important to have a peaceful environment to live, learn and to be successful. Peace is about caring for one another. Peace is making sure that no one's fighting around you, that nobody is frightened or scared. Peace is protecting each other from scary things. You can protect your friends; make sure everyone in your school and in your home is happy on Peace Day. In the Winchester school, we as teachers make sure that we inculcate the above ideas to students as an everyday practice. To help students understand the importance of 'peace', we as a school celebrated the 'Peace day'.

Ms. Swetaa Bhatnagar conducted a live session on the occasion and interacted with students embedding the importance of holding on to peace. They also created peace messages and shared with peers in class.
