Title: Road safety Day

Presenters / Conductors: Class teachers and students of Year 2E.

Aims & Objective: To create general awareness towards the importance of traffic rules

Summary: A wonderful Assembly conducted by Year 2 students on Road Safety in order to educate about traffic rules and the role it plays in shaping the behaviour and attitude of children by ensuring that they become responsible passenger, pedestrian, cyclist and drivers. It was an enthralling experience for the students as well as parents and Teachers to be a part of first physical assembly.

Pictures / Flyers:

Student/Parent/Teacher Feedback:

This event aware the children about traffic rules and regulation and help them to become good passenger, driver and pedestrian.

Parents were excited and dance along with the kids and enjoyed the assembly.

Organized by: Head of Key stage 1, Class teacher of Year 2
