

THE WINCHESTER SCHOOL, JEBEL ALI

<u>Date:</u> 14 th November 2024	<u>Audience:</u> Year 1 students	<u>Venue:</u> Dubai Creek Park
<u>Title:</u> Field Trip to Dubai Creek Park		
<u>Presenters / Conductors:</u> HOK, Year 1 teachers, Teaching Assistants		
<u>Aims & Objective:</u> Students will be able to connect classroom knowledge with real-world applications by observing, experiencing, and interacting with the environment, people, or processes related to the subject of study.		
<u>Summary:</u> <i>Field trips: where textbooks meet real-world excitement!</i> Year 1 students went on a field trip to Dubai Creek Park on 14 th November 2024 and explored the natural beauty and recreational facilities of the park. During their visit, they had the opportunity to observe various plant species, interact with the park's animals, and engage in fun outdoor activities. They thoroughly enjoyed a special show. The show was an exciting highlight of their visit, combining entertainment with valuable lessons about nature, wildlife, or local culture. After exploring the park and watching the show, they gathered together to share their snacks, which included a variety of nutritious treats. The students also learned about the importance of nature conservation and enjoyed playing on the park's playgrounds. This trip was an enriching experience, fostering both learning and enjoyment in a vibrant, green setting.
