

THE WINCHESTER SCHOOL, JEBEL ALI

Date: 25/08/ 2025

Audience: KS1 students

Venue: Year 1 and 2 - Classroom

Title: Induction Day

Presenters /Conductors: Teachers of Year 1 and 2

Aims & Objective: To support new KS1 students settle into their new classes by building relationships, understanding school routines, and becoming familiar with their learning environment.

Summary:

The Year 1 Induction Day began with a warm welcome and meet-and-greet session with form tutors, where students were excited to discover their new classrooms and get to know their peers. They engaged in team-building activities that encouraged cooperation and friendship, creating an atmosphere of inclusion from the very start.

A special introduction with the Senior Leadership Team further boosted students' confidence and made them feel valued as new members of the school community. Throughout the day, students were introduced to school rules, routines, and expectations to ensure a smooth transition into KS1.

A guided tour of the school allowed them to explore key areas and learn the locations of important facilities. The highlight of the day was participating in specialist sessions in Music and P.E., which students thoroughly enjoyed. Overall, the induction provided a positive, engaging, and memorable start to their KS1 journey.
