Date: 04/09/ 2025

Audience: KS1 students

Venue: Year 1 and Year 2 classrooms

Title: International Day of Charity

Presenters /Conductors: Teachers of Year 1 and Year 2

Aims & Objective: To raise awareness of the importance of charity, encourage students to reflect on ways they can help others, and inspire active participation in charitable acts that support people, animals, and the environment.

Summary:

The International Day of Charity event introduced KS 1 students to the meaning and purpose of charity, highlighting why charities exist and how they make a difference in the world. Students explored local and global examples, including charitable organizations in the UAE, and reflected on practical ways they could contribute, such as donating clothes, food, or toys, volunteering their time, and fundraising through creative activities like craft-making and bake sale. Through turn and talk discussions and interactive activities, students recognized the value of compassion, generosity, and community support. The event encouraged them to consider small but impactful actions they could take to help others and reinforced the importance of building a fairer and kinder world.
