

THE WINCHESTER SCHOOL, JEBEL ALI

Date: 25/08/2025	Audience: Year 3 new students	Venue: Respective Year 3 classes and FS Area
-------------------------	--------------------------------------	---

Title: Year 3 Induction Day

Presenters / Conductors: YEAR 3 Teachers, Specialist Subject teachers, HODs, HOKs, and SLT members

Aims & Objective: To guide students in building positive connections with their teachers and developing an understanding of their class routines and school expectations.

Summary: The beginning of a new academic year brought great excitement as our Year 3 students were greeted warmly by their teachers in a caring and encouraging atmosphere. The day began with teachers introducing the children to the “Be a GEM” expectations, encouraging them to shine and sparkle each day. Students then took part in a range of engaging sessions led by SLT members, HODs, and HOK, who outlined routines, curriculum objectives, and class expectations. The excitement continued with activities such as team-building activities, PE, STREAM tasks, scavenger-hunt school tours, and dynamic music lessons where students explored instruments. Thoughtfully designed by the Year 3 form tutors, the day offered a wonderful balance of learning, creativity, and fun, making the children’s first experience at Winchester truly memorable.

Student/Parent/Teacher Feedback:

Anaisha Kashvi Ranjan, Student 3F: “The best part was making new friends and exploring the school. It made my first day so much fun.”

Ms. Manju Varghese, Form Tutor 3B: “Students were introduced to their new environment in a positive way, with activities that were both enjoyable and meaningful.”

Organized by: YEAR 3 Form Tutors and Teaching Assistants, PE Teachers, Music Teachers, ICT Teachers, HODs, Ms. Manasee, and all SLT members
