Title: 6A Assembly- Be a Gem - Routines
Presenters / Conductors: 6A Students and teacher

Aims & Objectives: To encourage students to adopt and follow the Be a Gem *routine* in their daily school life, fostering positive habits, respect, and responsibility that help them grow as shining role models.

Summary - On 7th October 2026 students of Class 6A presented an engaging assembly on the theme **"Be a GEM Routines."** through a series of short and meaningful skits, the children highlighted the importance of following the eight *Be a Gem* routine in everyday school life. Each skit showcased how these routines—such as showing respect, being responsible, practicing gratitude, demonstrating empathy, maintaining punctuality, staying organized, using good manners, and showing mindfulness—help create a positive and harmonious environment. The performances not only entertained but also reminded everyone that by practicing these simple routines, we can all shine brightly like gems in our school community. The assembly encouraged students to make these positive habits a part of their daily lives. It reinforced the message that small, thoughtful actions can make a big difference in creating a happy and supportive school environment. The students concluded the assembly with a commitment to follow the Be a GEM routines and inspire others through their actions.
