THE WINCHESTER SCHOOL, JEBEL ALI

Date: 23rd September 2026	**Audience:** Foundation Stage Students	**Venue:** Classroom

Title: International Day of Sign Language

Presenters / Conductors: FS Teachers

Aims & Objective: To emphasis how sign language fosters connection and breaks communication barriers.

Summary: FS students celebrated the International Day of Sign Language through fun and meaningful activities that promoted inclusivity and empathy. They learned how sign language helps people who are hard of hearing and how to communicate with others. The children watched a short video and practiced simple signs such as hello, please, thank you, help, stop, and different emotions. They also enjoyed interactive games like "Mouth It, Don't Say It" and "Sign & Guess." The activities helped them understand the importance of kindness, respect, and communication in creating an inclusive community.
