Date: 23rd September 2026	**Audience:** Year 4 students and teachers	**Venue:** Year 4 classrooms

Title: International Day of Sign Language Day
Presenters / Conductors: Teachers of Year 4

Aims & Objective: To raise awareness about the importance of sign language in promoting inclusion, accessibility, and effective communication within our communities.

Summary:

International Day of Sign Languages is observed annually on 23 September to celebrate the importance of sign languages in promoting communication, inclusion, and accessibility for all.
To mark the occasion, Year 4 students participated in an engaging classroom activity where they learned about the significance of sign language and explored different ways people communicate. Students enthusiastically practised the Sign Language Fingerspelling Alphabet, enhancing their communication skills while developing empathy, respect, and appreciation for diverse methods of communication. The activity reinforced the importance of inclusion and highlighted how communication helps bring people together.
