THE WINCHESTER SCHOOL, JEBEL ALI

Date: 29/9/2026	**Audience:** Year 3	**Venue:** Year 3 classrooms
Title: Math Week Celebration	**Presenters/ Conductors:** Students and teachers of Year 3	

Aims & Objective: To foster a love for mathematics by engaging in interactive, creative, and enjoyable activities that highlight the relevance of math in everyday life.

Summary: We were delighted to celebrate our Math Week with great excitement and enthusiasm! This year's theme, **"Math Week: Think, Solve, Conquer!"**, reminded us that mathematics is not only about numbers and formulas, but also about thinking creatively, finding solutions, and embracing challenges. Throughout the celebration, students and parents participated in a variety of fun and interactive activities, including mathematical games, brain teasers, puzzles, and problem-solving challenges. Every activity encouraged curiosity, teamwork, and logical thinking. Together, we explored fascinating mathematical concepts, challenged our minds, solved problems, and celebrated the joy of learning. Our Math Week was truly a memorable journey of **thinking, solving, and conquering the wonders of mathematics!**

Student/ Teacher Feedback

Ms. Adheena Salim, Form Tutor of 3G: Students were excited to create structured as a triangular or pyramid-like shape with numbers arranged in levels.

Noah Anthony, Student From 3J: We really enjoyed the event and especially loved exploring symmetry and asymmetry. It was a fun and engaging experience, and we learned something new along the way!

Organized by: HOD Maths – Primary and Teachers of Year 3
