THE WINCHESTER SCHOOL, JEBEL ALI

Date: 20th October, 2026	**Audience**: Key Stage 1 Students	**Venue**: Classroom

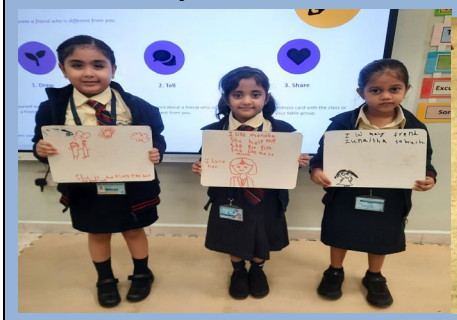
Title: SEWA Day – Acts of Kindness and Selfless Service

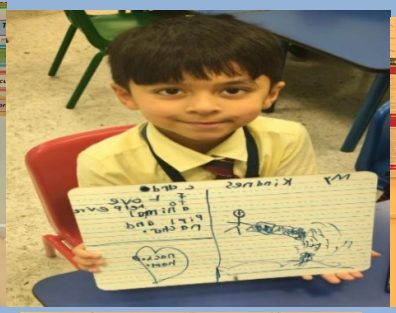
Presenters / Conductors: Key Stage 1 Team

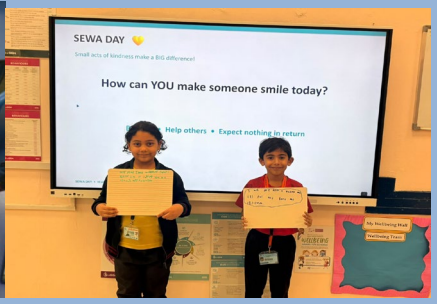
Aims & Objectives: To help students understand the meaning of **SEWA (selfless service),** recognise the importance of kindness, empathy and helping others without expecting a reward, and identify simple ways to make a positive difference at school, at home and in the community.

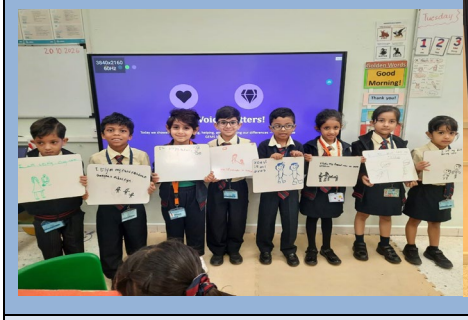
Summary: As part of the SEWA Day learning experience, Year 2 students explored the value of selfless service through age-appropriate discussion and classroom activities. The session introduced SEWA as helping others with kindness and without expecting anything in return. Students considered everyday examples such as sharing resources, supporting classmates, helping family members and caring for the environment. In the "Kind or Not Kind?" activity, children discussed different situations and identified positive choices. During the "Our Kindness Chain" activity, students wrote or drew an act of kindness on a paper strip to contribute to a shared classroom display. The activities were designed to develop empathy, cooperation, responsibility and a sense of community. Students were also encouraged to practice one act of kindness at home.

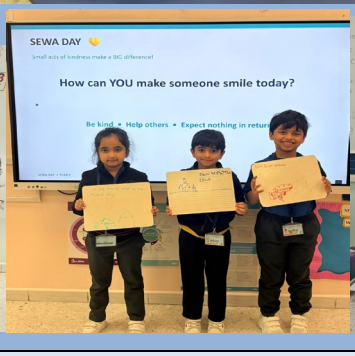
Pictures / Flyers etc.:

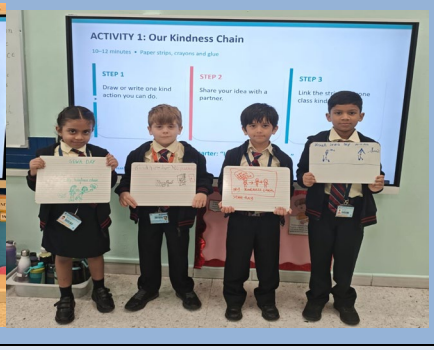












Student / Parent / Teacher Feedback:

Student feedback: *"The event was fun and enjoyable. We learned about empathy, cooperation and responsibility"*. (Mikhail Rebello, 2A)

Teacher feedback: Ms.Harshita, Form Tutor of 2D stated, *"The event provided a meaningful learning experience, encouraging students to demonstrate empathy, teamwork and responsibility"*.

Organized by: Year 2 Team
