**Title**: UAE Culture & Diversity Day
**Presenters /Conductors:** Teachers of Year 1

**Aims & Objective**: To celebrate the cultural diversity within the school community.

**Summary:** The Year 1 UAE Culture & Diversity Day, *Threads, Tastes & Traditions*, was conducted as part of the UAE Social Studies curriculum. Students came dressed in traditional attire representing either the UAE or their home countries, creating a vibrant celebration of culture and diversity.

During the event, students confidently delivered one-minute presentations about traditional clothing, food, and languages from the UAE or their home countries. They also shared greetings and simple phrases in different languages, helping their peers learn about various cultures and traditions.

The event provided meaningful opportunities for students to develop their communication skills while fostering an appreciation for cultural heritage, diversity, and inclusion. Through sharing their experiences and traditions, students demonstrated respect, curiosity, and pride in their own identities while learning about others.
