THE WINCHESTER SCHOOL, JEBEL ALI

Date: 6th October 2026	**Participants:** Year 5 and 6 Students	**Venue:** Year 5 and 6 Classrooms

Title: Dyslexia Awareness Week
Presenters /Conductors: Students of Year-1 to 6

Aims & Objective: To understand what dyslexia is and learn how we can support and include everyone in our classroom community.

Summary: Celebrating diversity in learning was the focus for Year 5 and 6 students during Dyslexia Awareness Week. Through meaningful discussions and collaborative activities, students developed a deeper understanding of dyslexia, explored how everyone learns differently, and challenged common misconceptions. Students designed *Dyslexia-Friendly Classroom* posters, identifying strategies, tools, and technologies that support learners with dyslexia, as well as classroom practices that promote kindness, respect, and inclusion. They also reflected on the qualities and resilience of successful individuals with dyslexia, discussing how determination, creativity, and perseverance can lead to extraordinary achievements. The activities encouraged empathy, understanding, and practical ways to support diverse learners within our school community.

Student/Teacher Feedback:

Gian ,6F stated, “Learning about dyslexia helped me understand that everyone learns in different ways. I enjoyed creating the Dyslexia-Friendly Classroom poster and exploring how we can support classmates through kindness, patience, and inclusion."

Ms. Liana lalu, Form Tutor 6F exclaimed, “Dyslexia Awareness Week provided students with a valuable opportunity to develop their understanding of diverse learning needs. Through thoughtful discussions and collaborative activities, students demonstrated empathy, respect, and a strong commitment to creating an inclusive learning environment for all.”

Organized by: Form Tutors of Year 5 and 6
