THE WINCHESTER SCHOOL, JEBEL ALI

Date: 7th October 2026	**Audience:** Year 1 and 2 students & Form tutors	**Venue:** Year 1 and 2 Classrooms

Title: World Habitat Day

Presenters / Conductors: Year 1 and 2 Form tutors

Aims & Objective: To help students understand the importance of safe, healthy and sustainable places to live, and encourage them to think about how they can care for and improve their local environment.

Summary : Students explored the importance of safe, healthy, and sustainable habitats for people and animals. They discussed how different living things depend on their surroundings and took part in engaging activities that encouraged them to appreciate, care for, and make positive changes to their local environment.

Student/Parent/Teacher Feedback:

Vian Menon of 2I: My favourite part about World Habitat Day was thinking of ways to improve our community.

Teacher: (Ms.Nirali Form Tutor of 2A) : Students actively explored the importance of safe and healthy habitats and shared simple ways to care for their environment. They demonstrated curiosity, collaboration, and a growing sense of responsibility towards their community.

Organized by: Year 1 and 2 Form tutors and HOK
