THE WINCHESTER SCHOOL, JEBEL ALI

Date:7th October, 2026	**Audience:** Year 5 & 6 students and Teachers	**Venue:** Year 5& 6 Classrooms

Title: World Habitat Day
Presenters /Conductors: Students of Year 5 and 6

Aims and Objectives: To explore the importance of adequate housing and identify ways to create safe, inclusive and sustainable communities for all.

Summary: As part of World Habitat Day, Year 5 and 6 students explored the theme "Adequate Housing for All." Students discussed what makes a home safe, affordable, accessible, inclusive and environmentally friendly. Through a creative poster activity, students shared their ideas about clean water, basic services, sustainable features and homes that are suitable for everyone. They also prepared and delivered one-minute speeches, explaining why every person should have access to a safe and suitable home. The activities encouraged students to think about equality, inclusion, sustainability and responsible communities, helping them understand that a good home is not just a place to live—it is a place where everyone should feel safe, respected and included.

Student/Parent/Teacher Feedback:

Ms. Pankhuri Form Tutor of 6C stated "World Habitat Day was a meaningful learning experience for our students. Through their posters and one-minute speeches on 'Adequate Housing for All,' students explored the importance of safe, inclusive and sustainable homes. They demonstrated creativity, confidence and a growing awareness of how communities can be made better for everyone."

Samara, student of 6D expressed "I really enjoyed World Habitat Day because I got to create a poster and speak about why everyone should have a safe and suitable home. I learned that clean water, accessibility and sustainable homes are important for building happy and inclusive communities."

Organised by: Form tutors of Year 5 & 6
