THE WINCHESTER SCHOOL, JEBEL ALI

Date: 31st August 2026	**Audience:** Year 5 new students	**Venue:** Year 5 Classrooms

Title: New Students' Induction
Presenters /Conductors: Year 5 Form Tutors

Aims & Objective: To warmly welcome year 5 new students and help them become familiar with their new classroom environment, school routines, expectations, and peers. The induction aims to build students' confidence, encourage positive relationships, and help them feel comfortable and prepared for their new learning journey.

Summary: The New Students' Induction provided students with a warm and engaging introduction to their new learning environment. Students had the opportunity to meet their Form Tutors and classmates, become familiar with their classrooms, and learn about important school routines, expectations, and procedures. Through a range of interactive and team-building activities, students were encouraged to communicate, collaborate, and build positive relationships with their peers. The activities created a welcoming atmosphere and helped students develop confidence and a sense of belonging. Overall, the induction was a positive and enjoyable experience, ensuring that our new Year 5 students felt welcomed, supported, and excited to begin their new academic journey.
