THE WINCHESTER SCHOOL, JEBEL ALI

Date: 31st August 2026	**Audience:** Year 6 new students	**Venue:** Year 6 Classrooms

Title: New Students' Induction
Presenters /Conductors: Year 6 Form Tutors

Aims & Objective: To welcome new Year 6 students and help them settle into their new classroom, routines, and school expectations. The induction encourages confidence, friendships, and a positive start to their Year 6 learning journey.

Summary: Year 6 extended a warm and enthusiastic welcome to the new students, creating an atmosphere of excitement and belonging. The new students participated in a variety of engaging and inclusive activities, including meet-and-greet sessions, icebreakers, and team-building experiences, which helped them feel settled, confident, and connected with their peers. They took part in an interactive SLT welcome session and a guided school tour that introduced them to key facilities, routines, expectations, and school guidelines. They also participated in stimulating PE and Music activities that fostered teamwork, creativity, and self-expression. Students engaged in hands-on STEAM activities designed to develop collaboration, innovation, critical thinking, and problem-solving skills, followed by a reflection session where they shared their experiences and insights.
