Aims & Objectives:
To develop students' character, empathy, and moral awareness, enabling them to make responsible choices and build positive relationships with peers, teachers, and parents.

Summary:
As the new academic year begins, the **KS3 New Students' Induction Day** provided an exciting and welcoming opportunity for students in **Years 7, 8 and 9** to familiarise themselves with their new school environment, meet their peers and teachers, and begin building a strong sense of belonging within the school community. The induction focused on helping students feel confident, supported, and prepared as they embark on a new chapter of their learning journey.

Students were introduced to key school routines, expectations, and the **BE A GEM** values, with an emphasis on respect, responsibility, positive behaviour, and making the right choices. The day also encouraged students to develop meaningful connections, strengthen their sense of community, and understand the importance of empathy, collaboration, and mutual respect.

This positive and purposeful start helped our **KS3 students settle into school life with confidence and enthusiasm**, ensuring that they feel valued, supported, and ready to embrace the opportunities and challenges of the new academic year.

We extend our sincere appreciation to the Head of Key Stage 3, Ms. Nirmal, and the Heads of Year — HOY 7 Ms. Chadia, HOY 8 Ms. Gayathri, and HOY 9 Ms. Trupti — for their leadership, dedication, and ongoing commitment to welcoming, supporting, and inspiring our KS3 students throughout their learning journey.
