Title: Student Portfolio, WIN Volunteering Programme & Student Initiatives and Clubs – Key Stage 4

Presenters / Conductors: Form Tutors & Student Leaders

Aims & Objective:

- To track students' achievements and personal growth through student portfolios.
- To promote volunteering, responsibility, and community service.
- To encourage student leadership, collaboration, and participation in clubs and initiatives.

Summary: The session focused on three key initiatives aimed at promoting holistic student development across Key Stage 4. The Student Portfolio initiative highlighted the importance of documenting each student's journey, achievements, participation, and personal growth beyond academic results. The WIN Volunteering Programme emphasized the value of volunteering in developing responsibility, teamwork, workplace readiness, and a sense of community service. The session also introduced Key Stage 4-led Student Initiatives and Clubs, encouraging students to take ownership, demonstrate leadership, collaborate with peers, and create a meaningful impact within the school community.

Teacher's Feedback: The initiatives provide valuable opportunities for students to develop essential life skills and build a strong portfolio of experiences beyond academics. Students should be encouraged to participate actively, take on leadership responsibilities, and maintain evidence of their contributions and achievements throughout Key Stage 4.

Student Feedback: Students were encouraged by the opportunities available to explore their interests, develop new skills, participate in volunteering, and take leadership roles through clubs and student-led initiatives. They recognized the importance of recording their achievements and contributing positively to the school and wider community.
