THE WINCHESTER SCHOOL, JEBEL ALI

Date: 2nd October 2026	**Audience:** Year 11	**Venue:** Respective Form Class (11A-11H)

Title: Be a GEM – Reinforcing Student Expectations

Presenters / Conductors: 11B Form Tutor & Student volunteers

Aims & Objective: To reinforce the importance of the Be a GEM expectation by encouraging students to demonstrate positive behavior, respect, responsibility, integrity, and excellence in their daily school life. To promote student accountability, self-discipline, and a sense of belonging while fostering a positive and supportive school environment.

Summary: The student-led assembly focused on reinforcing the Be a GEM expectation and encouraging Year 11 students to demonstrate the school's core values in their everyday actions. To promote leadership and shared responsibility, all Year 11B students were assigned specific roles as presenters, volunteers, and activity coordinators.

The highlight of the assembly was an interactive skit portraying common behavioral situations observed in school, followed by demonstrations of appropriate corrective behavior. The relatable scenarios were thoroughly enjoyed by students and encouraged reflection on respect, responsibility, positive behavior, and informed decision-making.

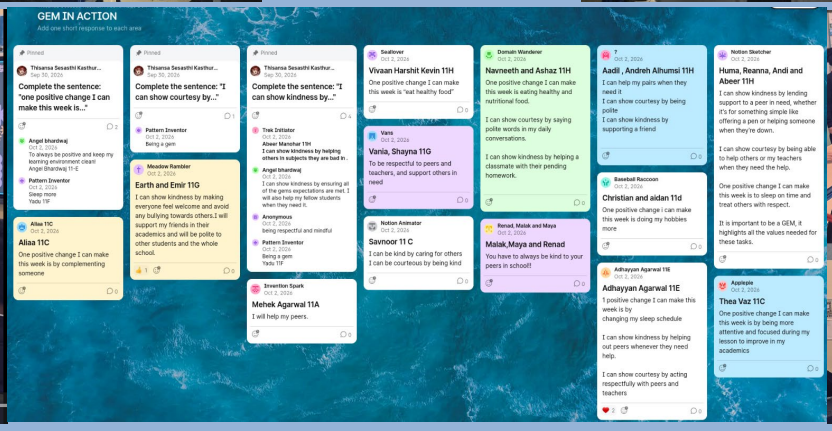
Engaging activities, including Mentimeter, quizzes, and Padlet responses, encouraged active participation and provided opportunities for students to share their perspectives.

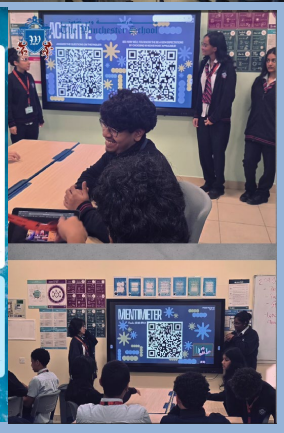
Towards the end of the assembly, students were encouraged to sign the Be a GEM pledge, committing to uphold school expectations through their actions and become responsible, kind, courageous, and supportive ambassadors of the school community.

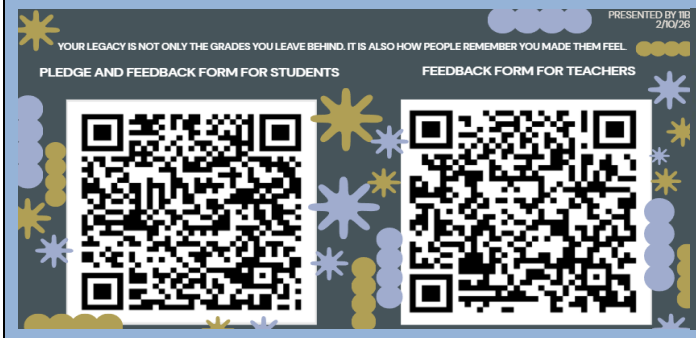
The assembly strengthened students' understanding of school expectations while fostering leadership, accountability, teamwork, and positive behavior. A feedback form was also shared with students and teachers to gather their views, celebrate the assembly's successes, and identify areas for future improvement.

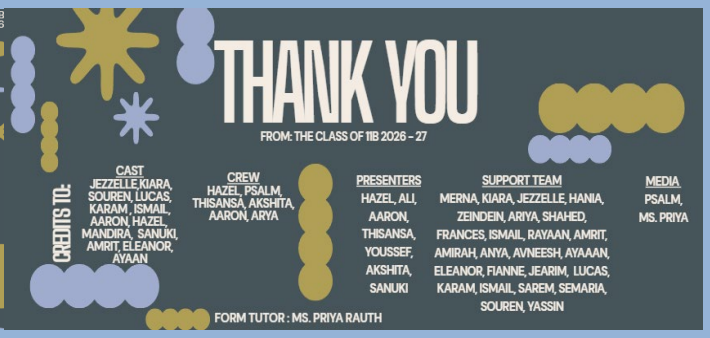
THE WINCHESTER SCHOOL, JEBEL ALI

Pictures / Flyers:









Student Feedback: The students and teachers particularly enjoyed the engaging skit, which effectively demonstrated the school's core values and positive behavior expectations. It encouraged us to reflect on our actions, take responsibility, and apply these values in our daily lives.

Teacher's Feedback: The engaging student-led assembly reinforced the Be a GEM expectation through an interactive skit. Students actively participated, demonstrated confidence, teamwork, and leadership, and took ownership of their assigned responsibilities under the effective guidance of the Form Tutor.

Organized by: Ms. Priya Rauth, Mr. Ernest- HOK, Ms. Sofia- Head of Year 11
