THE WINCHESTER SCHOOL, JEBEL ALI

Date: 1/07/2026	**Audience:** Students of Year 10	**Venue:** Form Class

Title: Transition: Year 9 Moving to Year 10

Presenters / Conductors: HOY & HOK, Form Tutors and year 11 student volunteers

Aims & Objective: To prepare Year 9 students for a successful transition into Year 10 by familiarizing them with academic expectations, subject requirements, effective study skills, and the importance of personal growth, wellbeing, and responsible learning habits.

Summary:

The Year 9 to Year 10 Transition Programme was organized to help students confidently progress into the first year of their IGCSE journey. The session introduced students to the academic expectations of Year 10, effective study and organizational skills, and the importance of maintaining good attendance and behavior. Students were encouraged to develop positive learning habits, set achievable goals, and take greater responsibility for their academic progress. Information was also shared about the pastoral support and resources available to help them succeed. The 2-day transition classes concluded by motivating students to embrace the opportunities and challenges of Year 10 with confidence, resilience, and a positive attitude.

Students' Feedback:

The transition session helped me understand what to expect in Year 10 and gave me confidence to prepare for my IGCSE studies. Saif 10H

Teacher's Feedback:

The programme effectively prepared students for the transition to Year 10 by clearly communicating expectations and encouraging a positive, responsible approach to learning. Ms. Divya

Organized by: Year 10 Student volunteers, HOY & Mr Ernest HOK
