THE WINCHESTER SCHOOL, JEBEL ALI

Date: 22/09/2026	**Audience:** Year 10	**Venue:** Face to face

Title: Year 10 Peer Mentoring – Study Skills Workshop

Presenters / Conductors: Mahathi Suresh and student volunteers from Y12.

Aims & Objective: To enhance Year 10 students' understanding of effective study skills through peer mentoring, enabling them to become more confident, independent, and organised learners.

Summary: Year 10 students participated in a Peer Mentoring – Study Skills Workshop delivered Mahathi Suresh of Y12 and student volunteers. The session aimed to strengthen students' understanding of effective study strategies and promote independent, structured learning habits. Students were introduced to practical techniques to improve revision, organisation, and time management, helping them become more confident and efficient learners.

The workshop was highly engaging and interactive, with students actively participating and reflecting on their own study practices. Feedback from students was very positive, highlighting the usefulness of the strategies shared and their relevance to upcoming assessments. Overall, the session successfully supported students in developing key skills for academic success and lifelong learning.
