Title: World Dyslexia Day – Yr 12 A Assembly

Presenters / Conductors: Yr 12 A Form Class Students

Aims & Objective: To raise awareness about World Dyslexia Day, promote understanding of dyslexia, and encourage empathy, inclusion, and support for individuals with different learning needs.

Summary: The students of Class 12A conducted a special assembly on the occasion of World Dyslexia Day to spread awareness about dyslexia and the importance of creating an inclusive learning environment. Through an informative PowerPoint presentation, the students highlighted the challenges faced by individuals with dyslexia, dispelled common misconceptions, and emphasized the strengths and talents of dyslexic learners. The assembly encouraged everyone to embrace diversity in learning and foster a culture of understanding, patience, and support within the school community. The presentation served as a meaningful reminder that every learner has unique abilities and deserves equal opportunities to succeed.
