THE WINCHESTER SCHOOL, JEBEL ALI

Date: 26/10/2026	**Audience:** Year 12 and 13	**Venue:** New Sixth Form, S47

Title: Assembly on Pre-Mock Examination

Presenters / Conductors: Ms. Sujaya, Head of Examination

Aims & Objective: To raise awareness and understanding of the key information related to the Pre-Mock Examinations, while motivating students to engage in focused preparation and adopt effective study strategies to maximise their success.

Summary: Ms. Sujaya, Head of Examinations, conducted an informative assembly for the Year 12 and 13 cohort, highlighting the importance of disciplined preparation, effective revision strategies, and a focused approach towards the upcoming Pre-Mock Examinations. Students were reminded to carefully review the examination timetable to ensure they are fully aware of examination dates, times, and venues. Key examination regulations were outlined, including the requirement to arrive early, be seated according to the designated arrangements before the start of each examination, and ensure that no unauthorised materials are brought into the examination room. Students were also reminded to attend examinations in the correct school uniform and not in PE kit. The examination schedule is fixed, and any commitments, such as tournaments or external events, must be communicated to Form Tutors well in advance. While the pre-mock examinations provide an important opportunity to assess readiness for the final examinations, students were encouraged to maximise their preparation through independent study, effective time management, maintaining a healthy lifestyle, and adopting a positive mindset. The session concluded with a Q&A segment, allowing students to clarify any concerns and gain a clear understanding of examination expectations.

Student Feedback:

The assembly was very helpful in clarifying the expectations and procedures for the Pre-Mock Examinations. It helped me better understand the importance of planning my revision, checking the examination timetable carefully, and following all examination regulations. - Aryan Ghosh 13C

Teacher's Feedback:

The assembly provided students with clear and practical guidance regarding the Year 12 and 13 Pre-Mock Examinations. The detailed explanation of examination procedures, regulations, and expectations helped ensure that students felt informed and prepared. - Ms. Trusha

Organized by: Ms. Sujaya, Head of Examination
