## Back to School during COVID -19 Complete Awareness Guide

Dear Parents,

Greetings.

Please find [attached](#) a very informative and easy to understand awareness guide from the **School Health Section, Public Health Protection Department, DHA** to help the students understand more about the expectations on how to keep themselves and others safe when they are back to school under COVID-19 conditions.

Please share and discuss this in detail with them. It is our collective responsibility to keep the entire school community safe and each person is a very crucial part of this safety chain.

Looking forward to your continuous understanding and cooperation.

Stay Safe! Together we can!

Warm Regards,

Dr. Ritika Anand  
Vice Principal
