## Travel & Health Declaration Update

Dear Parents and Students,

Greetings from The Winchester School's Health and Safety Team.

In order to ensure the continuous wellbeing of School community and as per the current prevention and control policy of COVID-19, Dubai Health Authority has mandated for schools to circulate the below link among its complete school population (students/parents/ school staff members) to **provide information regarding history of travel in the last 14 days and their health status.**

Please find the below link regarding Travel & Health Declaration. Please complete this latest by **Thursday, 27<sup>th</sup> August 2020.**

<https://www.dha.gov.ae/en/Pages/coronaregistration.aspx>

**Please note the following crucial points and the first two (in blue) must be completed exactly the same as provided below- as you complete the form:**

- In the School Name field, write – **The Winchester School, Jebel Ali**
- In the School e-mail field, write – **[TD\\_WIN@gemsedu.com](mailto:TD_WIN@gemsedu.com)**
- Please report & update regularly in case of travel

It is very important for the school's medical team that they have this updated information at all times for them to be alert and aware of travel history and health status of all community members so that necessary precautions can be promptly taken in case a student/staff visits the clinic or develops flu like symptoms. Therefore, we request your urgent attention to this email.

**Please do complete all the fields accurately to help us gather correct information.**

**Please note that it is mandatory for the school to receive this form for every student before they are permitted to come to school for FACE to FACE Learning. If we do not have this information about your child by this Thursday, we will not be able to allow them to enter school premises in the best interests of the entire school community.**

Looking forward to your understanding and prompt support.

Warm regards,

School Doctors:
